

“Inspire today’s students for tomorrow’s world”

Dear Ex-student

Please find on the second page of this letter a form for you to fill in to help us build INSPIRE – the City of Bath College Alumni page.

These pages, on the main City of Bath College Website, will be there to hopefully inspire prospective and present students to realise their potential and that the course they are studying can lead to all sorts of exciting and diverse Careers – and not just connected with the subject that they actually studied.

When it gets to the “More Information” part of the form – please have a moment’s reflection on the skills that you learned at College (not just academic but interpersonal skills too like group work, time keeping, and confidence) and try to include them.

Please return the form either by email or post. Thank you very much for your time.

Many thanks

Matt Finch
Learning Coordinator in Performing Arts
